- IV. Adjournment**

The Board of Selectmen of the Town of Pomfret, Connecticut, in its capacity as the Town's Water Pollution Control Authority, will hold a public hearing at the Pomfret Community School, 20 Pomfret Street in Pomfret, Connecticut, on Monday, July 6, 2015, at 7:00 p.m. to consider the advisability of the construction, installation and equipping of sanitary sewer facilities along the Airline North State Park Trail in the Town of Pomfret, from the trail's intersection with Pomfret Street / State Route 44 northeast along the trail to a connection at the inlet to the Town of Putnam's sanitary sewerage treatment plant, and related improvements and appurtenances. The project is contemplated to include, but is not limited to, the construction of approximately 37,000 linear feet of force main and of three pumping stations located at each of the Loos & Co., Pomfret School and Rectory School properties. The project is contemplated to be completed substantially as shown on a preliminary drawing, entitled "Sanitary Sewer Service Area, Town of Pomfret, Connecticut" dated January, 2015 and prepared by Weston & Sampson, a copy of which preliminary drawing is on file in the office of the Town Clerk.

Affected property owners and electors and citizens qualified to vote in town meetings of the Town of Pomfret, Connecticut will be heard at the public hearing concerning the proposed sewer project.

Dated at Pomfret, Connecticut this 25th day of June, 2015.
