### Quilting Series Class

Pomfret Seniors are pleased to sponsor a six month program for quilters of all ages and abilities. Nora Gibbs of Woodstock will be teaching Eleanor Burn's beautiful Underground Railroad quilt pattern in a skill-building series. Quilters will meet twice a month for 6 months and each class will increase the skills learned previously. Each class will teach one quilting pattern, which can be a standalone wall hanging or become part of your finished quilt. Lots of options for your finished piece(s) will be presented We will meet at the Pomfret Senior Center every two weeks, beginning Thursday, March 7, from 9:30 a.m. to noon. A sewing machine is required, and a supply list will be sent to everyone who signs up.

Nora is an experienced quilter and teacher and has quilts on display all over the world, including Brazil, Japan and Bahrain. Her focus is to spread the beauty of this wonderful craft and have some fun. For more information or to register for this or another Quilting series, please contact Susan LaRose at 860-974-0494.
